In Breece Mobile Assist, press the three dots in the upper right corner

Choose Warranty Lookup

Scan the display serialnumber for which you want to check warranty

The date shown is the end date of the warranty period.

In some cases the warranty answer will be "Inconclusive - Please contact Breece Support Team".

This means the warranty period could not be found or defined in terms of our sales history. In this case you will need to contact Breece Support to get help finding the warranty period.
